

Join NAHU

The National Association of Health Underwriters (NAHU) represents more than 100,000 licensed health insurance agents, brokers, consultants and benefit professionals through more than 200 chapters across America. NAHU members service the health insurance needs of large and small employers as well as people seeking individual health insurance coverage.

LEGISLATIVE ADVOCACY

NAHU's legislative efforts strive to educate officials on both the federal and state levels about the health care system and the vital role of the health insurance agent as a consumer resource and advocate. Through a network of key contacts, NAHU cultivates relationships that allow members to clarify issues before bills are written and votes are taken. These relationships are strengthened through actions undertaken by the Health Underwriters Political Action Committee (HUPAC).

PROFESSIONAL DEVELOPMENT

Certification programs, professional designation courses, online resources and conferences are just a few ways NAHU helps members develop professionally as well as personally. Local chapters also host regular meetings where continuing education opportunities are provided.
